Re: Consultation on Fee Change
State Board of Examiners of Electrical Contractors

Gentlemen:

Pursuant to G.S. 12-3.1, I write to request consultation regarding fee changes to be published in the January 4, 2016 edition of the North Carolina Register.

By Notice of Text published in the January 4, 2016 edition of the North Carolina Register, by proposed rule 21 NCAC 18B.0209, the Board proposes to refund the examination fee of sixty dollars if the applicant does not qualify to take the exam, but retain the application fee.

The proposed amendment to 21 NCAC 18 B. 0502 would establish an administrative fee of \$25.00 for licensees wishing to move their license to a different firm. The reason for these changes is to place the necessary cost on the person creating the task, rather than on the entire industry.

As rulemaking coordinator and counsel to the Board, I ask that you do not hesitate to contact me or Tim Norman, Executive Director of the Board, with any questions.

Sincerely yours,

YOUNG MOORE AND HENDERSON, P.A.
